

POLITICS FRATELLI CALEGARO S.RL.

Good Business Practice

DATA: 24/10/2024

Fratelli Calegario S.r.l. has always supported a business model based **on human rights, ethics and respect for good commercial practices, with particular reference to the expectations of customers and suppliers.** The company does not approve, justify any commercial practice that may distort the relationship of trust between customer and supplier and therefore rejects any form of corruption.

Fratelli Calegario S.r.l. has not offered gifts and does not promise any kind of bribery to its customers and/ or other **commercial partners.**

Fratelli Calegario S.r.l. asks its staff, **employees to carefully evaluate any gifts that may come from suppliers.** **Fratelli Calegario S.r.l.** is a local company and maintains respectful and courteous relations with all suppliers, especially the smaller ones. Understanding that occasionally third parties may offer small signs of esteem and cordiality, especially on the occasion of the Christmas holidays, However, **Fratelli Calegario S.r.l. strictly prohibits all employees and/or collaborators from withholding any gift in the form of a bribe or suspected bribe, including gifts of significant economic value and/or repeated several times over time.**

Fratelli Calegario S.r.l. assures the constant support and availability towards any suggestion or communication of violation expressed in relation to this policy
